"Let the stars from their courses from the heavens fight against all satanists. Let all satanists be confounded to wage war against and destroy each other now! **Command** Your power, O Elohim, scatter these peoples and nations of Israel and America which **delight** in wars! **But** the wealth of the *sinner* is stored up for the righteous. **But** to the *sinner* Elohim gives the task of gathering and collecting, to give to him who is **good** before Elohim."

Thanks, most gratefully & sincerely yours,

Yahuahite Yang Changshi
